## Mandatory Show Rules

The Texas Gun Collectors Association is a member of the National Association of Arms Shows. The rules presented here represent what is considered the standard that all members of the association comply with. Keeping these rules will be for the good of all.

1. All Exhibitors are required to sign the front of this form which represents a contract which includes the requirement for compliance with all applicable federal, state, and local laws.
2. TGCA shall make available to all exhibitors any information provided by ATF or state or local law enforcement agencies relating to applicable laws, including ATF "Notice to Dealers" and ATF guidelines.
3. **No loaded firearms or loaded magazines or loaded clips will be permitted in any TGCA show at anytime by any one other than law enforcement personnel. This applies to everybody including CHL/LTC holders and CCW holders from out of state.**
4. **All exhibitors' cartridge firearms other than those which are disassembled, in a glass covered display case, or entered into the competitive displays must be checked, cleared, and secured with a cable tie by the dealer/exhibitor before placing them on display or for trade at the show.**
5. **All cartridge firearms brought to a TGCA show by members of the public shall be checked, cleared, and tied in an inoperable condition by the security personnel prior to being brought into the show.**
6. No loose ammunition will be allowed at any TGCA gun-show or meeting. All ammunition must be in an original box, sealed container, or under cover (i.e. lidded showcase). Collector cartridges may be exempted by show security personnel.
7. No alcoholic beverages will be permitted in the gun room during show hours. No exceptions. This is a liability issue that must be respected at all times.
8. **With the exception of Service Dogs, all animals must be kept constrained behind exhibitors' tables, preferably in a travel carrier or crate.**
9. The following items are prohibited from TGCA shows. Stamps, coins, jewelry, clothing, modern machine guns, Nazi items, blowguns, and items of current manufacture unrelated to antique or vintage collectible weapons. Also, any items deemed unacceptable by the directors of The Texas Gun Collectors Association will be prohibited.
10. Young people 12 years old and older are welcome at TGCA shows when accompanied and supervised by an adult. Remember the number one rule for the young folks is "hands off, don't touch".
11. The Sergeant at Arms may order any member or individual who violates any of these safety rules to immediately remove their exhibit from the premises.
