

Fine & Historic Arms Annual

A second edition to the original 1971 Antique Arms Annual

Published in 1971 and sponsored by the Texas Gun Collectors Association, the "Antique Arms Annual", has stood for fifty years as the benchmark publication for fine and historic firearms and the men and women who collect them. The "Annual" is an institution, it is a time and it is a place: a showcase of the most important and celebrated, fine and historic firearm known to the collecting world and the most knowledgeable, astute and passionate collectors and dealers of the day. These men and women were pioneers in our field. Not in the sense that they were the first to do it, but in the sense that they elevated "gun collecting" to previously unimagined heights.

It is time to do it again.

The Texas Gun Collectors Association and Rock Island Auction Company are proud to announce a historic partnership and unveil The Fine and Historic Arms Annual. An ambitious 300+ page anniversary style coffee table book that will mirror the original 1971 "Antique Arms Annual".

Rock Island Auction Company has agreed to help facilitate the photography process of this book and offer its services pro bono during several gun shows and events throughout 2022 and 2023. Dates and events are subject to change and slots will be limited. Collectors are encouraged to have their own professional photography taken and submitted. Graphic design and layout will also be done pro bono by Rock Island Auction Company.
